

# Augustana College Hybrid Work Agreement Request Form

Employees interested in a hybrid work arrangement may complete this request form to initiate a review and approval process. The information and process outlined in this document is intended to ensure both the supervisor and employee have a clear, shared understanding of the criteria to be considered and, if approved, the terms of any hybrid work arrangement. Hybrid work is a voluntary work arrangement between the employee and Augustana College. Each arrangement is unique and will depend on the needs of the employee, supervisor, position, department, and the college. Any approved hybrid work arrangement does not alter the at-will nature of the employment relationship with Augustana.
